

Commercial Operator's Licence

Self-Paced Correspondence Workshop (By request - Groups Only)

Course Information

Do you distribute chemicals on land not owned by you?

If so, you may need the **Commercial Operator's Licence** (formerly ACDC)

This customised course can support you in:

Meeting Quality Assurance requirements and achieving WHS obligations

Gaining access to registered and restricted chemicals

Learning about chemical record keeping, safe handling, calibration

Achieving your Commercial Operator's Licence (from DAF)

You will receive comprehensive learning materials, have access to AgForce's dedicated training support team, and achieve 3 Nationally Recognised Units of Competency~:

AHCCHM303 - Prepare and apply chemicals

AHCCHM304 - Transport and store chemicals

AHCPMG301 - Control Weeds

**From only*

\$440

Chemical Accreditation Card

Valid for 5 years

(Apply to DAF for Licence when course is completed)

Nationally Recognised Statement of Attainment

* AgForce Members. From \$465 for Non-Members
~ 2 Units Available Online + 1 Unit Correspondence
